Description: Even if you haven't landed one of the coveted internships in the kitchen at the American Academy in Rome, you can have a behind-the-scenes tutorial in the way that pastas and sauces are made in its kitchen. The recipes in Pasta are arranged in the same order as the interns are taught to make them, from simple to more complex, and are organized the way...

Review: Between this book and Sauces and Shapes, you will be absolutely set for making any type of pasta you want. I like this book because its a bit heavier on technique than most pasta cookbooks Ive come across, and anyone who makes pasta can tell you that your technique is much more important than your recipe. The best pasta recipe in the world will...
